

Kelly Klosure "Classic" Panels

Reusable Enclosures and Weather Protection

**Galvanized or Light-Transmitting
Interchangeable Steel-Framed Panels**

MAKE ONE INVESTMENT...use on many job sites!

- Flat roof and gable systems available
- One panel system, many versatile applications
- Available in 4' x 4', 4' x 8' and 4' x 12' panels
- Basic frame is 1-1/2" x 1-1/2" x 1/8" steel angle iron
- Frames are pre-punched to lock the panels together with Kelly locking key
- Install horizontally or vertically with no top or bottom, inside or outside
- Shipped in storage racks for reuse and transport

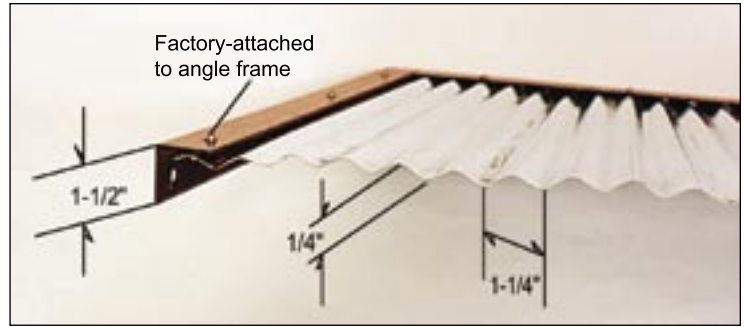

Kelly Klosure® *difference*

Pre-framed panels are the key to getting our enclosures up fast.
